

# Polycom® training will help you get the most from your Polycom solutions

## EMEA Public Classes

April 2018 – June 2018

### Course Description

#### **Collaboration Infrastructure Installation, Configuration and Troubleshooting – RPIIT202**

**Target Audience:** Systems Administrators

**Duration:** 5 days

**Topics include:** Operation and troubleshooting. A blended program including self-study and classroom training that provides the knowledge and skills to implement, configure and perform troubleshooting on a RealPresence® Platform environment.

Level 2

#### **Collaboration Infrastructure System Administration - RPPSAIT203**

**Target audience:** System Administrators

**Duration:** 4 days

**Topics include:** Operation and troubleshooting. A blended program including self-study and classroom training that provides the knowledge and skills to manage and operate the Polycom Collaboration Infrastructure products.

Level 2

#### **Configure Operate and Maintain RealPresence® Media Suite—COMMSIT201**

**Target audience:** Video teleconferencing specialists and users

**Duration:** 2 days

**Topics include:** Technical and practical hands on experience specifically aimed at providing field ready, operational ability to video network installation engineers, Media Suite operators and users.

Level 2

#### **Deploying, Operating and Maintaining Video Endpoints - DDOMVEOT201**

**Target audience:** Technical staff and technical end users

**Duration:** 2 days

**Topics include:** Configuration, operation and troubleshooting for Polycom RealPresence® Group Series.

Level 2

#### **Deploying and Supporting Polycom Infrastructure Solutions with Skype for Business - RPDSPIAT302**

**Target audience:** Technical staff

**Duration:** 3 days

**Topics include:** An advanced instructor-led training providing the knowledge and skills to design, deploy and troubleshoot Polycom video solutions integrated into an on-premise deployment of Microsoft Unified Communications environment, comprising Microsoft Skype for Business Server 2016 and Exchange Server 2013.

Level 3

#### **Deploying and Supporting Polycom Voice Solutions with Skype for Business - RPDSVSBAT301**

**Target audience:** Technical staff

**Duration:** 2 days

**Topics include:** This course covers the skills necessary to deploy and support Polycom Voice solutions integrated into a Microsoft Skype for Business and Exchange environment.

Level 3

### **RealPresence Platform Design, Configuration and Troubleshooting - RPPDAT301**

**Target audience:** Technical staff

**Duration:** 3 days

**Topics include:** Design configure and troubleshooting for a large-scale RealPresence® Platform environment e.g. RealPresence® DMA® supercluster.  
Level 3

### **RealPresence Platform Security and Firewall Traversal Using RealPresence® Access Director™ - RPSAT301**

**Target audience:** Technical staff

**Duration:** 2 days

**Topics include:** Knowledge and skills to design, configure and troubleshoot security and firewall traversal using Polycom RealPresence® Access Director™.  
Level 3

### **RealPresence® Web Suite Pro - RPCAVESAT301**

**Target audience:** Technical staff

**Duration:** 2 days

**Topics Include:** Knowledge and skills to design, deploy and configure a solution using RealPresence Web Suite Pro.

**Level 3**

### **Voice Solutions in an Open SIP Environment - VOSSIPIT202**

**Target audience:** Technical staff

**Duration:** 2 days

Topics include: Knowledge and skills to design, deploy and troubleshoot a solution incorporating Polycom's family of VoIP phones, tools and techniques for provisioning and supporting the Polycom VVX family of phones.

Level 2

The two Immersive Solution courses below are available on request only and can be scheduled by contacting [polycomu@polycom.com](mailto:polycomu@polycom.com).

### **Making the Most of your Immersive Solution - MISOS201**

**Target audience:** Immersive Telepresence solutions users

**Duration:** 1-day private session for up to 10 attendees from one company

**Topics include:** Holding effective meetings using your Immersive Solution to maximize ROI, operating and managing your Immersive Solution and performing basic troubleshooting.

Level 2

### **Managing and Troubleshooting your Immersive Solution - MTISOT201**

**Target audience:** IT staff

**Duration:** 1-day private session for up to 10 attendees from one company

Topics include: Basic troubleshooting on Polycom Immersive Telepresence Solutions, how to best work with a VNOC to resolve issues quickly, and basic maintenance requirements.

Level 2

## **eLearning Course**

### **Polycom Collaboration Infrastructure System Administration - Foundation – PLCMISFAT202**

**Target Audience:** Systems Administrators

**Duration:** 8 hours consisting of 10 e-learning modules with self-paced exercises

**Topics include:** A blended program including self-study and e-learning training that introduces the Polycom RealPresence Clariti™ solution and provides System Administrators with the core skills required to effectively manage and operate their collaboration infrastructure.

Level 1

Class ID: PLCMISFAT202

Price: \$1,000    €769    £662

Part Number to order from Partner: 4864-05102-204

## Accessing Polycom University

Participants must create an account at Polycom University using [this link](#).

After creating your account review the [How to Navigate](#) videos

Click [here](#) to view the EMEA Calendar.

The image shows a login form for Polycom University. At the top left is the Polycom logo, which consists of a stylized 'P' inside a circle. To the right of the logo is the word 'Polycom' in a sans-serif font. Below the logo and name are two input fields: the first is labeled 'Username' and contains a small person icon and a vertical bar; the second is labeled 'Password' and contains a small lock icon. Below the password field is a link that says 'Forgot Password?'. To the right of this link is a green button with the text 'SIGN IN' in white. Below the 'SIGN IN' button is a checkbox labeled 'Remember Me'. At the bottom of the form is a white button with the text 'Don't have an account? Sign up here' in blue.

## Current Schedule

This schedule includes Polycom public instructor led training courses. Participants can attend over video when available, and in person at a Polycom Learning Center; this information is included in the “scheduled class location” column. Some training, including DDOMVEOT201, cannot be delivered over video. We suggest that unless the learner is very skilled that their first class be in person, where the instructor will also be more readily available.

Orders are made through your Polycom Partner. Please allow enough time to schedule your Purchase order. Courses can be cancelled if there are not enough attendees. Courses that are currently not scheduled can also be accommodated depending on demand (number of participants) and trainer availability. To find out more about a class please email [polycomu@polycom.com](mailto:polycomu@polycom.com).

## Other Options to Purchase Training

### Onsite Courses

Polycom University also offers private training sessions for any of our courses listed above. The part numbers below are used to order a training session at a customer's site. Refer to class length to determine the right part number. The customer will need to meet some minimal operations internet requirements.

Part Number	Description	Price GBP	Price EUR
4864-05101-001	1-Day Private Training Session for existing training course. No topic substitutions; any changes require a custom price quote. Location per customer choice with Polycom acceptance. Priced for max. of 10 students. Includes instructor Travel & Expenses.	£8,889	€9,231
4864-05101-002	2-Day Private Training Session for existing training course. No topic substitutions; any changes require a custom price quote. Location per customer choice with Polycom acceptance. Priced for max. of 10 students. Includes instructor Travel & Expenses.	£11,630	€12,077
4864-05101-003	3-Day Private Training Session for existing training course. No topic substitutions; any changes require a custom price quote. Location per customer choice with Polycom acceptance. Priced for max. of 10 students. Includes instructor Travel & Expenses.	£13,889	€14,423
4864-05101-004	4-Day Private Training Session for existing training course. No topic substitutions; any changes require a custom price quote. Location per customer choice with Polycom acceptance. Priced for max. of 10 students. Includes instructor Travel & Expenses.	£15,907	€16,519
4864-05101-005	5-Day Private Training Session for existing training course. No topic substitutions; any changes require a custom price quote. Location per customer choice with Polycom acceptance. Priced for max. of 10 students. Includes instructor Travel & Expenses.	£17,370	€18,038

## Training Packs

Polycom also offers training packs which are prepaid training days that can be used to register for a seat in any of our Instructor Led Classes or a fee-based online course. In most cases one training credit is equal to one day of training or one fee-based online course. The only exception for customer training courses is the online version of Configure Operate and Maintain Media Suite (COMMSIT201) which is two credits. Training credits cannot be used for private sessions, and expire 12 months from date of purchase.

Part Number	Description	Price GBP	Price EUR
4864-07001-005	1 credit add-on used to augment existing credit packs. Credits required for specific courses will vary. Valid for 12 Months from date of purchase. Not applicable for onsite or customized classes, only can be used on public class list, held at a Polycom facility.	£661	€768
4864-07010-005	10 credits for training at PLCM public classes. Credits required for specific courses will vary. Valid for 12 months from date of purchase. Not applicable for onsite or customized classes, only can be used on the public class list, held at a Polycom facility.	£4,681	€4,513
4864-07010-005	15 credits for training at PLCM public classes. Credits required for specific courses will vary. Valid for 12 months from date of purchase. Not applicable for onsite or customized classes, only can be used on the public class list, held at a Polycom facility.	£6,837	€6,592
4864-07025-005	25 credits for training at PLCM public classes. Credits required for specific courses will vary. Valid for 12 months from date of purchase. Not applicable for onsite or customized classes, only can be used on the public class list, held at a Polycom facility.	£11,085	€10,688

Any questions regarding registrations should be directed to [polycomu@polycom.com](mailto:polycomu@polycom.com).

Any questions regarding payment can be directed to [Vicki.Kirby@polycom.com](mailto:Vicki.Kirby@polycom.com).
