

Polycom® training will help you get the most from your Polycom solutions

EMEA Public Classes

October 2018 – December 2018

Course Description

Collaboration Infrastructure Installation, Configuration and Troubleshooting – RPIIT202

Target Audience: Systems Administrators

Duration: 5 days

Topics include: Operation and troubleshooting. A blended program including self-study and classroom training that provides the knowledge and skills to implement, configure and perform troubleshooting on a RealPresence® Platform environment.

Level 2

Collaboration Infrastructure System Administration - RPPSAIT203

Target audience: System Administrators

Duration: 4 days

Topics include: Operation and troubleshooting. A blended program including self-study and classroom training that provides the knowledge and skills to manage and operate the Polycom Collaboration Infrastructure products.

Level 2

Configure Operate and Maintain RealPresence® Media Suite—COMMSIT201

Target audience: Video teleconferencing specialists and users

Duration: 2 days

Topics include: Technical and practical hands on experience specifically aimed at providing field ready, operational ability to video network installation engineers, Media Suite operators and users.

Level 2

Deploying, Operating and Maintaining Video Endpoints - DDOMVEOT201

Target audience: Technical staff and technical end users

Duration: 2 days

Topics include: Configuration, operation and troubleshooting for Polycom RealPresence® Group Series.

Level 2

Deploying and Supporting Polycom Infrastructure Solutions with Skype for Business - RPDSPISAT302

Target audience: Technical staff

Duration: 3 days

Topics include: An advanced instructor-led training providing the knowledge and skills to design, deploy and troubleshoot Polycom video solutions integrated into an on-premise deployment of Microsoft Unified Communications environment, comprising Microsoft Skype for Business Server 2016 and Exchange Server 2013.

Level 3

Deploying and Supporting Polycom Voice Solutions with Skype for Business - RPDSVSBAT301

Target audience: Technical staff

Duration: 2 days

Topics include: This course covers the skills necessary to deploy and support Polycom Voice solutions integrated into a Microsoft Skype for Business and Exchange environment.

Level 3

RealPresence Platform Design, Configuration and Troubleshooting - RPPDAT301

Target audience: Technical staff

Duration: 3 days

Topics include: Design configure and troubleshooting for a large-scale RealPresence® Platform environment e.g. RealPresence® DMA® supercluster.
Level 3

RealPresence Platform Security and Firewall Traversal Using RealPresence® Access Director™ - RPSAT301

Target audience: Technical staff

Duration: 2 days

Topics include: Knowledge and skills to design, configure and troubleshoot security and firewall traversal using Polycom RealPresence® Access Director™.
Level 3

RealPresence® Web Suite Pro - RPCAVESAT301

Target audience: Technical staff

Duration: 2 days

Topics Include: Knowledge and skills to design, deploy and configure a solution using RealPresence Web Suite Pro.

Level 3

SoundStructure® Technical Training - SSTAT303

Target audience: Technical staff

Duration: 3 days

Topics Include: Provides specific details about the design, deployment and configuration of the solutions with an emphasis on lab exercises to build practical skills of using, optimizing and troubleshooting deployments.

Level 3

Voice Solutions in an Open SIP Environment - VOSSIPIT202

Target audience: Technical staff

Duration: 2 days

Topics include: Knowledge and skills to design, deploy and troubleshoot a solution incorporating Polycom's family of VoIP phones, tools and techniques for provisioning and supporting the Polycom VVX family of phones.

Level 2

The two Immersive Solution courses below are available on request only and can be scheduled by contacting polycomu@polycom.com.

Making the Most of your Immersive Solution - MISOS201

Target audience: Immersive Telepresence solutions users

Duration: 1-day private session for up to 10 attendees from one company

Topics include: Holding effective meetings using your Immersive Solution to maximize ROI, operating and managing your Immersive Solution and performing basic troubleshooting.

Level 2

Managing and Troubleshooting your Immersive Solution - MTISOT201

Target audience: IT staff

Duration: 1-day private session for up to 10 attendees from one company

Topics include: Basic troubleshooting on Polycom Immersive Telepresence Solutions, how to best work with a VNOC to resolve issues quickly, and basic maintenance requirements.

Level 2

eLearning Course

Polycom Collaboration Infrastructure System Administration - Foundation – PLCMISFAT202

Target Audience: Systems Administrators

Duration: 8 hours consisting of 10 e-learning modules with self-paced exercises

Topics include: A blended program including self-study and e-learning training that introduces the Polycom RealPresence Clariti™ solution and provides System Administrators with the core skills required to effectively manage and operate their collaboration infrastructure.

Level 1

Class ID: PLCMISFAT202

Price: \$1,000 €769 £662

Part Number to order from Partner: 4864-05102-204

Accessing Polycom University

Participants must create an account at Polycom University using [this link](#).

After creating your account review the [How to Navigate](#) videos

Click [here](#) to view the EMEA Calendar.

The image shows a screenshot of the Polycom login interface. At the top, the Polycom logo is displayed. Below the logo, there are two input fields: one for 'Username' and one for 'Password'. The 'Username' field contains a small person icon and a vertical bar. The 'Password' field contains a lock icon. To the left of the 'Password' field, there is a link for 'Forgot Password?'. To the right of the 'Password' field, there is a checkbox labeled 'Remember Me'. Below these fields is a green 'SIGN IN' button. At the bottom of the form, there is a link that says 'Don't have an account? Sign up here'.

Current Schedule

This schedule includes Polycom public instructor led training courses. Participants can attend over video when available, and in person at a Polycom Learning Center; this information is included in the “scheduled class location” column. Some training, including DDOMVEOT201, cannot be delivered over video. We suggest that unless the learner is very skilled that their first class be in person, where the instructor will also be more readily available.

Orders are made through your Polycom Partner. Please allow enough time to schedule your Purchase order. Courses can be cancelled if there are not enough attendees. Courses that are currently not scheduled can also be accommodated depending on demand (number of participants) and trainer availability. To find out more about a class please email polycomu@polycom.com.

Other Options to Purchase Training

Onsite Courses

Polycom University also offers private training sessions for any of our courses listed above. The part numbers below are used to order a training session at a customer's site. Refer to class length to determine the right part number. The customer will need to meet some minimal operations internet requirements.

Part Number	Description	Price GBP	Price EUR
4864-05101-001	1-Day Private Training Session for existing training course. No topic substitutions; any changes require a custom price quote. Location per customer choice with Polycom acceptance. Priced for max. of 10 students. Includes instructor Travel & Expenses.	£8,889	€9,231
4864-05101-002	2-Day Private Training Session for existing training course. No topic substitutions; any changes require a custom price quote. Location per customer choice with Polycom acceptance. Priced for max. of 10 students. Includes instructor Travel & Expenses.	£11,630	€12,077
4864-05101-003	3-Day Private Training Session for existing training course. No topic substitutions; any changes require a custom price quote. Location per customer choice with Polycom acceptance. Priced for max. of 10 students. Includes instructor Travel & Expenses.	£13,889	€14,423
4864-05101-004	4-Day Private Training Session for existing training course. No topic substitutions; any changes require a custom price quote. Location per customer choice with Polycom acceptance. Priced for max. of 10 students. Includes instructor Travel & Expenses.	£15,907	€16,519
4864-05101-005	5-Day Private Training Session for existing training course. No topic substitutions; any changes require a custom price quote. Location per customer choice with Polycom acceptance. Priced for max. of 10 students. Includes instructor Travel & Expenses.	£17,370	€18,038

Training Packs

Polycom also offers training packs which are prepaid training days that can be used to register for a seat in any of our Instructor Led Classes or a fee-based online course. In most cases one training credit is equal to one day of training or one fee-based online course. The only exception for customer training courses is the online version of Configure Operate and Maintain Media Suite (COMMSIT201) which is two credits. Training credits cannot be used for private sessions, and expire 12 months from date of purchase.

Part Number	Description	Price GBP	Price EUR
4864-07001-005	1 credit add-on used to augment existing credit packs. Credits required for specific courses will vary. Valid for 12 Months from date of purchase. Not applicable for onsite or customized classes, only can be used on public class list, held at a Polycom facility.	£661	€768
4864-07010-005	10 credits for training at PLCM public classes. Credits required for specific courses will vary. Valid for 12 months from date of purchase. Not applicable for onsite or customized classes, only can be used on the public class list, held at a Polycom facility.	£4,681	€4,513
4864-07010-005	15 credits for training at PLCM public classes. Credits required for specific courses will vary. Valid for 12 months from date of purchase. Not applicable for onsite or customized classes, only can be used on the public class list, held at a Polycom facility.	£6,837	€6,592
4864-07025-005	25 credits for training at PLCM public classes. Credits required for specific courses will vary. Valid for 12 months from date of purchase. Not applicable for onsite or customized classes, only can be used on the public class list, held at a Polycom facility.	£11,085	€10,688

Any questions regarding registrations should be directed to polycomu@polycom.com.

Any questions regarding payment can be directed to Vicki.Kirby@polycom.com.

Any questions regarding customer or private training sessions can be directed to David.Gibbs@polycom.com.
