Our Letter to Shareholders contains forward-looking statements regarding future events, including statements regarding our anticipated future growth, market opportunities, and demand for our solutions, our expected achievements for 2009 and longer term, and the impact that the economic environment may have on our business, which involve risks and uncertainties. When used in this document, the words "expect," "believe," "may" and similar expressions are generally intended to identify these forward-looking statements. Readers are cautioned that these forward-looking statements are only predictions that may differ materially from our actual future events or results, and readers should not place undue reliance on these forward-looking statements, which speak only as of the date thereof. Many of the risks and uncertainties that may cause actual results to differ materially are discussed in our Annual Report on Form 10-K for the fiscal year ended December 31, 2008, under the heading "Risk Factors", and in our other periodic reports to be filed with the Securities and Exchange Commission. Polycom disclaims any intent or obligation to update these forward-looking statements.
