

## See First. Understand First. Act First.

When lives are on the line, only Polycom can deliver on-demand voice, video, collaboration and infrastructure solutions to the battlefield so that soldiers can improve situation assessment and information sharing for faster, more informed decision making.

### Integrators and Partners

Since 1990, Polycom has worked closely with some of the world's leading technology integrators and partners to solve critical communication issues for federal, state and local agencies across the world. For convenience, flexibility and speed, Polycom voice, video and collaboration solutions are available on a number of acquisition contracts offering our customers fast, easy access to our products and services.
